OCE,

OCFO requested AAships review the attached Word version of the SOF discussed during the exit conference with GAO. Each program office and region is requested to include their corrections and comments into the Word version. I request that you send me a consolidated file for each office (OCE, OFA, etc.) Please provide your response NLT COB Tues May 29th. The edits will be sent to OCFO for consolidation with other agency comments. The Agency comments will be sent back to us for a final 1-day review before being released to GAO.

If you have any questions, you may contact me on 202-564-2439.

Thanks,
Gwendolyn Spriggs
